School Age Parent Handbook

Play Date School Age Program

General Policies

1.) *Students:* Play Date School Age Program may enroll up to 42 school age children between kindergarten and 5th grade. These children will arrive at our Clubhouse site off the school bus. The kindergarteners will arrive at 1:20pm, the older children will arrive at 3:20pm. All children are required to be picked up by a parent or authorized adult by 5:30pm.

2.) *Signing In and Out:* Each child must be signed in by a teacher or parent and signed out daily by a parent or authorized adult. The parent or guardian is the only person who can authorize Play Date to release the child to the individual. No child may be dropped off outside and allowed to come in by him/herself.

3.) *Illness:* It is very important to keep your child at home when ill. The following guidelines will help you to know when homecare is required.

- Your child has a fever of 100 degrees or higher or has had a fever during the last 24 hour period.
- Your child has begun taking antibiotics during the previous 24 hour period.
- Your child has a contagious skin or eye infection.
- Your child has a heavy and or colored nasal discharge or a persistent, thick cough.
- Your child has diarrhea 3 times in a 2 hour period.
- Your child has episodes of vomiting for over a 6 hour period.
- Your child has symptoms of a possible communicable disease (these are usually sniffles, reddened eyes, sore throat, headache, and abdominal pain, plus a fever).
- Your child has evidence of a parasitic, fungal, or insect contamination (lice, ringworm, fleas, etc.).

Once Illness has been Detected: If your child becomes ill while in our program or it is determined that homecare is necessary, we will notify you as soon as possible to come pick up your child. If we are unable to contact you within 30 minutes, we will call your emergency numbers listed to have the alternate person you've assigned pick up your child. **If either parent and those who are listed as an emergency contact are not available to pick up your child then Truckee Police Department will be contacted for consultation on how to proceed with the well-being of your child.**

*Guideline: 24 hours fever free and vomit free. Please know that we may require your child be seen by their pediatrician and return with a physician's note clearing them to be healthy enough to return to our program.

Dispensing of Short Term Medication: All prescribed medications that arrive with a child must be delivered to a teacher by the child **each day** of required need. All prescribed medications must be properly labeled with the child's name, current date, time, and dose to be given in the original container. It is to be communicated to the teacher the proper storage needs of prescribed medication.

The date and initials of the teacher administering the prescribed medication will be recorded next to the child's name on the Sign In sheet. We cannot administer any medication that has expired, nor can we administer medication that does not have your child's name on it.

If your child requires an over-the-counter medication to be given while in our program, we must have the pediatrician's authorization and proper dosage to be given prior to administering. Otherwise, we do not administer over-the-counter medication.

3.) *Illness cont.:*

Dispensing of Long Term Medication: Ongoing or intermittent treatment of long term prescribed medications such as inhalers, ointments, or orals must be received with a doctor's note detailing symptoms and the onset of symptoms and/or triggers. It must be clearly stated and understood the proper dose and procedure of how to administer prescribed medication. **All parents will be responsible for training all staff in the proper administration of prescribed medication.**

Prescribed medications viewed as intermittent "as needed" due to an onset of symptoms will be monitored by both parents and teachers on a day-to-day basis. However, it is the parent's responsibility to clearly communicate when an onset of symptoms is under watch or has been recently treated at home or during non-scheduled program days. Parents communicating the onset or suspected onset of symptoms must relay the details verbally to a teacher. This communication by the parent will assist in tracking the day's medical need for prescribed medication administration to their child. The parent will also be responsible for leaving contact information for the day in which a teacher may call at any time.

4.) *In the event of an Emergency:* The Director will coordinate and oversee all matters of an emergency situation. In the event we need to relocate due to a fire, earthquake, severe weather, and or disaster, our first evacuation location is the Glenshire General Store and our second evacuation location is Glenshire Elementary School. If we are required to evacuate out of Glenshire area, we plan to meet at the Truckee Donner Rec. and Park District (8924 Donner Pass Rd.) and transportation coordinated with authorized emergency officials. Once relocated, we will notify parents immediately. If we are unable to contact a parent, we will call the emergency numbers listed in the child's files.

Power outage: On the occasion in which a power outage has been determined to last more than 2 hours, all parents must be available to pick up their child within the first 2 hour time period of the power outage onset. Play Date Preschool and School Age will not continue providing childcare services beyond a 2 hour timeframe without utilities.

5.) *Toys from Home:* Children are encouraged to bring items. During Free Choice time, your child may play with their items from home as long as they are willing to let others participate as well. However, Play Date will not be held responsible for any lost or broken items brought from home.

Please, no guns, war toys, or other toys representing destruction. These items are taboo in our program.

6.) *Visitors:* Throughout the year guests are invited to further enrich our program. Please keep a lookout for flyers and announcements. We will also encourage parents to share their talents or conduct an art project.

7.) *Setting Limits:* To set limits gives children the security of knowing that their strong emotions will not lead them to do things that they will later regret. Children know an adult will take the responsibility of stopping unacceptable behavior until they are able to do so for themselves. We at Play Date will teach each child about safety, care of property, good health habits, and consideration of others. We will explain any rules in a positive, non-personal way and encourage the children to make their own safety guidelines.

Our most popular way to handle difficult situations is to redirect an uncooperative child to another activity. Perhaps we may choose to redirect the entire activity into a more wholesome direction. If the children involved have established a way to verbalize their frustration, then certainly we will encourage the children to use their words (which ever is age appropriate).

7.) *Setting Limits cont.:*

The method of "time out" may be necessary if a child needs the opportunity to regain self control. The child may return to group activity once the inappropriate behavior stops and the teacher and child have talked or modeled appropriate ways to interact with their environment.

For further details and expectations on appropriate behavior, see *Play Date's Student Conduct Contract*. This contract must be read, discussed, and signed by both the parent and child entering into the program annually.

8.) *Meals:* Your child will be served a variety of nutritious snacks. We will be serving the kindergartners a snack at 1:45pm and a second snack to the entire program at 3:45pm. On many occasions, the children will participate in making snack which might delay our eating time as prep and cooking is required.

Please let us know if your child has any allergies and dietary restrictions.

9.) *What's the Weather?:* We make every attempt to play outdoors each and every day. During winter we will require snow suits, boots, hats, and gloves for each and every child preferably labeled with their first name. However, during a super storm we do have planned indoor activities in order to stimulate your child's physical development, balance, and coordination.

All weather in between: Just pack layers in their school backpacks and they'll be prepared for anything.

10.) *Outdoor Activities / Field Trips:* Each day your child will enjoy supervised free play outdoors as weather permits. We will be taking nature walks from time to time looking for the fun and unusual. We will be learning about nature and collecting leaves, rocks, pinecones, etc. for our art projects or scientific observations. For any field trips requiring transportation, all children that are less than 4' 9" in height or under 8 years of age must be in an approved car seat provided by the parent. Permission slips will be required for your child to participate and a possible field trip fee may be required.

9.) *Photos:* Please know that we are photo happy at Play Date. We take photos for projects, slide shows, learning and development, marketing, our webpage, our parent exclusive Facebook account, etc. By registering your child at Play Date you understand that your child will be photographed or video taped for special events on a regular basis.

10.) *Open Door:* Please, feel free to come to the Director with any concerns. Discussions will be completely confidential, and your input will be valued. Also, at any time you are welcome to visit the program during our hours of operation and even volunteer!! It is vital to the success of this program that we have an open, positive relationship with our parents and it is an additional goal of ours to make it so.

12.) *Pre Enrollment:* All forms in our entrance packet must be filled out completely before a child can be enrolled. This will include medical release forms and emergency contact information.

13.) *Final Note:* Our community is very special and it is a privilege to offer support and a quality program to you and your child(ren). An additional goal of Play Date is to help the Truckee Tahoe Unified School district, specifically Glenshire Elementary, with your child's school age needs. Therefore, we require all children to attempt some homework during our Power Hour homework time. This begins at 5:00pm Monday through Thursday. On Fridays we take a break and let the children have a longer free-play time. It is simply a win, win all around!

Thank you for your interest in Play Date School Age Program.

It is our policy that if any of those days that the School District is closed falls on your child's regularly scheduled days then your child has first priority to sign up for the full day extension. However, this is only a priority BUT DOES NOT mean that your child is expected or confirmed to arrive as scheduled.

ALL FAMILIES MUST SIGN UP IN ADVANCE REGARDLESS OF YOUR CURRENT SCHEDULE. It is imperative that we staff our School Age Program according to those children signed up and plan additional activities and snacks for a full day schedule.

TTUSD SCHOOL HOLIDAY CLOSURES required website submission  Here's How:

- Please visit our website: www.playdatepreschool.com
- click on "School Age TTUSD HOLIDAY CLOSURE 8-5:30" (right side)

Please submit your selection of days two weeks before the approaching District break arrives. We will staff the program according to all those who signed up for full days. **Be certain of the full days you select because you will be charged the extended day rate based on your sign up selection AND NO TRADES are allowed during any TTUSD Holiday Closure - sorry no exceptions.**

If you do not select your days with at least 48 hours advance notice as outlined above through our website submission, there may not be availability and we will not accept "Walk Ins". **Please do not assume that your regular schedule automatically extends to full days.**

TTUSD SNOW DAYS required website submission  Here's How:

- Please visit our website: www.playdatepreschool.com
- click on "School Age TTUSD SNOW DAY 8-5:30" (right side)

FAQ #1

The kindergarten school bus will arrive at the Glenshire Clubhouse to deliver your children safely to our teacher at approximately 1:20pm. A bus pass will be required and can be obtained through Glenshire Elementary or the TTUSD transportation department (please view <http://www.ttusd.org/> and click on the Transportation link for details).

FAQ #2

Please note that if you are signed up for our morning session from 7:30am - 9:00am, you will arrive at the Play Date School Age program and sign your child in at the counter inside anytime after 7:30am. At 8:45, our teacher will walk your child out to the bus stop and wait to escort them on the bus.

Lastly, an important reminder:

Please remember it is REQUIRED that you notify either Play Date School Age staff at (448-0647) or staff at Play Date Preschool (582-0441) if your child will be absent for the afternoon BEFORE they are expected to arrive off the school bus. WE WILL ALWAYS ASSUME YOUR CHILD IS TO BE WITH US ON THEIR SCHEDULED DAYS and a missing child is NEVER a good thing. SO PLEASE, let us know prior to their expected arrival so we can avoid the steps taken to track your child's whereabouts.

You may also indicate an absence with advance notice through our website: www.playdatepreschool.com see – "Absence Notification" link on the right side.
